This includes open wood fires in metal pits or BBQ grills. We are a parking lot with a license to park RV's overnight. We are subject to different fire codes than a campground and therefore we cannot allow open fires. This is for the safety of everyone in the parking lot.
Alcohol Consumption	Alcohol consumption is not permitted in the DECC parking lot. Duluth City code Section 8-22 prohibits alcohol consumption in public places. Duluth Police patrol the parking lot and may issue fines according to the law.

20 Amp Circuit Power Outlets	Please do not use 30 amp adaptors. Instead, use 20 amps per outlet & plug appliances directly into separate circuits or run only one at a time. This approach will prevent the circuit from overload. If you run an air conditioning unit, you will use the entire 20 amps. It may take a while to get it reset so please be careful. Water pumps and battery chargers draw a significant amount of power.
Garbage and Recycling	Please bring your garbage & recycling to receptacles at base of stairwells in ramp. Thank you.
